Financial Aid/Veterans Education Benefits
For Your Study Abroad Program

Financial Aid

In order to use your Financial Aid package for study abroad, you will have to choose an accredited program in which you would be a full-time student (Fall: 12 credit hours; Summer: 6 credit hours). In order to find out if your Financial Aid would apply, set up an appointment with Cecilia De La Garza. For your first appointment with Ms. Garza, bring:

- An unofficial copy of your transcript
- A printed-out copy of your degree plan
- All the information about the study abroad program that you would like to attend: which semester, the length of your studies, the start date of the program, and the courses that you would like to take

For any other questions on Financial Aid assistance for studying abroad, please contact Cecilia De La Garza at Cecilia.delagarza@tamucc.edu.

Veteran Education Benefits

Veteran Education Benefits may cover your study abroad program, but certain conditions and restrictions apply. In general, your study abroad program needs to be connected to your degree plan. Most importantly, Veteran Education Benefits vary from student to student, so contact the Office of Veterans Affairs to discuss individual benefit coverage.

For information about whether your study abroad plans will be financed by your Veteran Education Benefits, please contact the Veteran Affairs Office at 361-825-2331 or email veterans.affairs@tamucc.edu, located on the first floor of the Student Services Center (the Round Building), Monday through Friday 8 am - 5 pm.

Each Veteran Education Benefit package is very different, so you will need to contact the Veterans Affairs Office and set up an appointment: Veterans.affairs@tamucc.edu.

You will need the following for your first appointment:
